Customer Reviews

The set up of the book is user friendly. The kiddos enjoy doing it everyday and look forward to it. It touches on all skills daily.

Great way to build vocab, my child loves it. Chapter format is very logical, keeps attention on words. My child finishes one chapter a week, few pages each day; this way each day word is in memory.

An excellent book for Grade 3 and 4. The book has been shipped like just as new one.

Connects to common core and as you go on in chapters it includes words from past chapters.

Happy with my purchase!

Love these books.
