Traveller Adventure 1: Beltstrike (Traveller Sci-Fi Roleplaying)

Synopsis

Strange things can happen out in the belt, where men work the rocks hoping against hope to strike it rich, protected from the terrible death of hard vacuum only by the cheapest of vac-suits. Out here, the measures of a man are his successes and how far he is willing to go to get them. How far are you willing to go?

Customer Reviews

This is a pretty neat look at asteroid belts, and what you can find in them. This would be a nice source to use for any space game if you want that extra detail. Specifically, we have a belt spelled out with a campaign to go with it. This is really well done overall, and as noted, worth getting whether you play Traveller or not.

I don't even play Traveller. Very rich in detail. Great job
