Staying Close: Stopping The Natural Drift Towards Isolation In Marriage

Synopsis

Countless married couples end up living alone--in the same house! Over twenty-eight years of conducting "Weekend to Remember" conferences have convinced Dennis and Barbara Rainey that isolation is the number-one problem in marriages today. But they believe it's possible to overcome 'marital drift' and experience the miracle of oneness. This book provides a positive, workable strategy for keeping your marriage vital and intimate. Included are proven principles and hands-on exercises to help you: ~ understand the cultural and personal forces that isolate you from your spouse ~ manage your schedules, workloads, roles, and responsibilities without losing sight of each other ~ allow for (and enjoy) individual differences while maintaining unity . . .
