Customer Reviews

I bought these books to use in case the Good News books didn't come up with my exact lesson for the Sunday classes. I have used them for references, but they aren't exactly what I was used to. I wasn't as excited as I was about other sermon books, but I wouldn't part with it.

Purchased for my StepMother to use and she was very pleased and said it was a great little book for her age group 2-7 years old.

Full of great ideas and examples for children's sermons.
