Ornamental Flower Stained Glass Pattern Book: 83 Designs For Workable Projects (Dover Stained Glass Instruction)

Synopsis

Stained glass workers at every level of expertise will welcome this array of 83 charming floral patterns rendered by master craftsman Ed Sibbett, Jr. Use them separately or in combination to create striking lightcatchers, window panels, candle shelters, and other attractive projects. Choose from roses, tulips, lilies, irises, and other beautiful floral designs in a wide variety of sizes and styles—geometrics, abstracts, Art Nouveau, Art Deco, etc. Some are framed in ovals, others in circles, squares, or rectangles. Patterns range in complexity from simple flowers with under 20 parts to a challenging lily with 125 pieces. They are presented in a convenient, readily usable size, but they can be reproduced in larger or smaller sizes and adapted for use in many different projects. All materials needed, as well as general instructions and tools for beginners, can usually be purchased in local craft and hobby stores. For your convenience, a list of mail-order supply houses is also included.

Book Information

Series: Dover Stained Glass Instruction

Paperback: 72 pages

Publisher: Dover Publications; Reprint edition (October 1, 1984)

Language: English

ISBN-10: 0486247384

ISBN-13: 978-0486247380

Product Dimensions: 8.1 x 0.2 x 11 inches

Shipping Weight: 9.1 ounces (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 stars— See all reviews— (8 customer reviews)

Best Sellers Rank: #837,680 in Books (See Top 100 in Books) #75 in Books > Crafts, Hobbies & Home > Crafts & Hobbies > Glass & Glassware > Stained Glass #12713 in Books > Arts & Photography > History & Criticism

Customer Reviews

My application of Mr. Sibbett's designs begin with their being scanned. As with all his books the quality of the images in this book are very good. I appreciate the slight similiarity between some images that lend themselves well to making matching items. A variety of designs from simple to more complex are offered. At most their are two to a page making them easy to work with.

Lots of nice patterns of "modern" looking floral designs in circles and squares.

This book certainly has a lot of patterns, but the flowers are very stylized--like Early Americana. I was expecting more patterns like what was shown on the cover. Still, it is better than Sibbett's other book I bought, "Floral Stained Glass Pattern Book"

There are not color pictures of all the patterns which can be very helpful. The patterns are pretty ordinary for the most part. Based on other books I have, Sibbett patterns all have a similar look.
