Sex Positions: Sex: The Top 100 Sex Positions To Try Before You Die (Sex Positions, Sex Guide, Kamasutra, Sex Books)

Synopsis

Are you starting to get bored of the same old positions that you use when having sex with your partner? Are the moves he uses starting to get a bit old and stale? Do you want to spice up your relationship and make things a bit more exciting? Then this book is the one for you! With 100 different positions to try, this book is perfect for shaking things up a bit! Experimenting and being adventurous in the bedroom isn't only for new relationships in the honeymoon period, trying out new positions can relight the spark you once had in an old relationship.

Customer Reviews

I really wanted to turn the page till the next chapter. The book is very useful to improve relationship between couple. I got many tips and tricks of positions for future practice. The plot is interesting and exciting. I still recommend this book to somebody who wants to improve a sexy and feel new emotions.

Wonderful guide. If you're looking to spice things up in the bedroom than this is the book for you. Filled with tons of tips and new positions to try out it will keep you busy for a long time! Definitely

recommend picking this one up.

This is great sexguide. Offer you 100 fantastic and very interesting sex positions. If you want to try something new this is great book for you. It's very well written, easy to follow and try because explanations are very good and detailed. Refresh your sexual life, surprisse your partner and get this book! I am very satisfied with purchase. Recommend!

Interesting positions! Their are some great sex positions in here. I like that this book is concise because it allows me and my hubby to practice practice practice! I also like the section on how to become better since it has some great tips. Really worth recommending!

The book explains the benefits of sex in a relationship,the effects of it,how to seduce and satisfy your man,and how sex and its practice will help in improving and enhancing the communication strength of your relationship.The book opens your knowledge about why relationships struggle with sex, ways to be more sexy, so the recommendations offered by the writer of this book will definitely be treasured and applied.

Sex is a wonderful blessing that serves as an expression of intimacy. This book spells out the information on the subject - SEX. 100 sex positions in which some are new to the public. This positions can spice up your relationship and make things more exciting and pleasurable when you are starting to get bored of the usual things you do with your partner. I highly recommend this book to all the couples who are willing to take another spice in their relationship.

I think this book to be one of the best which I have found. I got many tips and tricks of positions for future practice. I recommend it to anybody who wants to improve sex life and feel new emotions. It will certainly keep me busy for a while trying all those 100 positions (and i had no idea about so many of them!)

So many positions to try! This is an endless guide for any couple to try out! I would definitely recommend trying some of these with your partner. This book will spark creativity in the bedroom and encourage new sexual experiences. Honestly, you will never run out of positions to try because there are so many in this book.
