The Deposition Guide, A Practical Handbook For Witnesses

The Deposition Guide A Practical Handbook for Witnesses

by Larry G. Johnson, J.D.

Law Forum Press

Synopsis

The Deposition Guide discusses what deposition witnesses' rights are and how witnesses can best prepare and handle themselves at their deposition, offering an easy-to-read, practical handbook dealing with the civil pretrial discovery process, including abuses to which a deposition witness may be exposed. This handbook exposes the reality of what actually happens in a deposition and cites court rules governing depositions that a witness can assert before, during and after a deposition to maximize his or her rights and make the experience a much less stressful one. There is also a chapter devoted to special tips for expert witnesses, and another that gives advice on how to prepare yourself for a videotaped deposition.
