United Arab Emirates (Modern Nations Of The World (Lucent))

Synopsis

The United Arab Emirates, a federation of seven separate emirates at the southern part of the Persian Gulf, became one of the world's wealthiest nations after oil discoveries in the 1960s, 1970s, 1980s, and 1990s. This book traces the geography, culture, and history of the country and its struggle to equitably share resources among its seven emirates.
