Dreams (Psychic Awakening Series Book 3)

Synopsis

Awaken in the world of your sleep! In *œDreams*, the third book of the Psychic awakening series, renowned psychic/paranormal practitioner Embrosewyn Tazkuvel reveals some of his personal experiences with the transformational effect of dreams, while sharing time-tested techniques and insights that will help you unlock the power of your own night travels. **Lucid Dreaming** An expanded section on Lucid Dreaming gives you proven methods to induce and develop your innate ability to control your dreams. It explores the astonishing hidden world of your dream state that can reveal higher knowledge, greatly boost your creativity, improve your memory, and help you solve vexing problems of everyday life that previously seemed to have no solution. **Nine Types of Dreams** Detailing the nine types of dreams will help you to understand which dreams are irrelevant and which you should pay close attention to, especially when they reoccur. You'll gain insight into how to interpret the various types of dreams to understand which are warnings and which are gems of inspiration that can change your life from the moment you awaken and begin to act upon that which you dreamed. **Become the master of your dreams** Sleeping and dreaming are a part of your daily life that cumulatively accounts for dozens of years of your total life. It is a valuable time of far more than just rest. Become the master of your dreams and your entire life can become more than you ever imagined possible. Your dreams are the secret key to your future. **Want to know more?** Scroll to the upper left of the page and click on the Look Inside feature.

Customer Reviews

This was an absolutely amazing book. It was incredibly fascinating and really dove deep into the Dream world and explored all of its different realms. I have read a few other books on dreams and their interpretations, but this one is the most thorough and well done book that I have read to date on this topic. It is far from being just a simple dream exploration book. It really analyzes so many different things that it is more like a definitive dream encyclopedia. The author is obviously highly gifted and an extreme expert on the subject. You will definitely be mesmerized once you start reading. You simply won't be able to put the book down. If you have been looking for a good book that really gives some great definitive information on exploring your dreams, then look no further. This is the book that you need to own. It is the perfect rainy night or bedtime companion.

Spellbound with this book. A fantastic and informative book. I just finished it only in one day. Words from this book have motivated my mind to go to the every next pages. Really Author did a great job here. Though each book of this series are very favorite to me, but i like it most. After read this book i just thinking one thing and the thing is Dream is the good thing, Maybe the best thing. I'd say just give it a try and feel the test. Highly recommended.
