Customer Reviews

I bought the book new and the total ended up being \$114. With that in mind, tell me why the book had a rip on the binded part -_- I really want to give it back because that's bs but I already have college assignments that require the book. Because the book was bought NEW it should be NEW. Be careful guys.

Book was practically brand new. Over exceeded expectations. Needed for college level class. Didn't really use this book as much as another book we used. However, you may need it if you have problems or issues with English grammar and writing. I was glad I had ordered it. It was a truly valuable resource.

Even though I am not finished reading this book, it is so far a good english book.

This has been one of the best Humanities textbooks I've used in my generals.

Terrible condition. Huge unknown brown stain on a page.

Good buy for a good condition rental.

Needed for class, came in handy.
