Customer Reviews

I found this book while staying at a B&B in Newfoundland, and it was such a wonderful read that I had to run out and buy a copy to take home with me. With wonderful insights into the people of Newfoundland the authors use powerful images and the words of the Newfoundlanders themselves to tell the stories of the place. Alternately powerful and fun, this book is a must for anyone wishing to understand the lives of the people of Newfoundland and Labrador and their place in history and Canada.

Last year my husband & I had the good fortune to travel to Newfoundland...but alas it was only for six days.....not enough time. I was and still am smitten by the place and the people. I've been looking for good reads about Newfoundland in addition to the "Shipping News". I came across this delightful book. It keeps taking me back to a place I love. The photographs are beautiful and the Newfie stories are touching, funny, poignant and so heartfelt. Thanks to Yva and John for this loving project. This is a book I'll not be passing along too soon.

This book clearly shows the beauty and heartbreak of Newfoundland. It gives a great sense of history and human nature.

THANK YOU I LOVE THIS BOOK IT IS GREAT TELLS ABOUT CANADA IT MENTIONS FRANCOIS NEWFOUNDLAND I LOVE THE PLACE CALLED FRANCOIS

The book is dated (1988), so I bet some things have changed over the past 18 years. I won't know until I visit Newfoundland this summer. Still a good read for anyone interested in the area.
