Caring For Bamboo And Epaulette Sharks In The Home Aquarium

Synopsis

Caring for Bamboo & Epaulette Sharks in the Home Aquarium is a must read for anyone interested in keeping these fascinating animals as pets. These sharks live well in captivity if their special needs are met. This book provides the aquarist what he or she needs to know for long-term success, covering everything from system design to breeding.

Best Sellers Rank: #1,851,333 in Books (See Top 100 in Books) #577 inÂ Books > Crafts, Hobbies & Home > Pets & Animal Care > Fish & Aquariums

Customer Reviews

This book shows only the general idea for taking care of Bamboo Shark, it doesn't explain a lot of things, for instance the way of feeding them, it is very general, and it is written in the author experience only, it has no research at all; the name of the book should be change because it mislead for something more specific which in my case, that is what I was expecting. I followed almost everything it said, and my shark died, then I read somewhere else that, it needed to eat food rich in omega 3 and 6.

This book really motivated me into keeping sharks and convinced me sharks aren't as dangerous as I thought !:p
