Hexmaker (Hexworld Book 2)

Synopsis

A straight-laced policeman. A lighthearted thief. A murdered millionaire. Fox shifter Malachi steals for one of the biggest crime rings in New York City. But when he witnesses the murder of a millionaire, the only person who can keep him safe is Dr. Owen Yates, forensic hexman for the Metropolitan Witch Police and Malachi's witch. Owen is horrified to discover his familiar is an uneducated thief. Even worse, Malachi threatens to unleash Owen's deepest desires—desires Owen can't act upon, as he's destined for an arranged marriage to secure the Yates family fortune. Their agreement: Malachi will be Owen's lover as well as his partner, until the day of the wedding. But as their hunt for the murderer carries them from teeming slums to Fifth Avenue mansions, Owen begins to realize Malachi commands his heart as well as his body. With dark forces drawing ever closer around them, Owen must decide whether to bow to the demands of duty, or to risk everything for the man he loves. Hexmaker is the second book in Jordan L. Hawk's Hexworld series, following the adventures of witch policemen and the familiars they bond with. Download today to enter a world of magic, romance, and intrigue.
