365 Moments Of Grace (365 Book Series) (Volume 2)

Synopsis

Moments of Grace are Presents from the Universe! In this book, over 250 beautiful souls - including bestselling authors Jodi Chapman, Dan Teck, Arielle Ford, Kristine Carlson, and Christine Arylo - each share a moment of grace they've personally experienced with the hopes of inspiring you to open to grace in your own life! The 365 unique miracles shared in these pages include: near-death experiences, communicating with loved ones on the other side, healing from illness, a-ha moments, signs from the universe, and so much more! While the experiences themselves vary greatly, each of these moments transformed the authors and connected them to something much bigger than themselves. These true-life stories (one page each - for quick inspiration!) were written with love and infused with the intention that you'll be on the lookout for moments of grace to show up in your own life... and that you'll be open to receiving them when they do! Customer Reviews

"365 Moments of Grace" features essays written by over 250 contributors with diverse backgrounds who came together to offer their unique insights about the topic of Grace. The book is comprehensive. It includes 10 chapters. Each focused on a different aspect: everyday grace, signs

of grace, animals and nature, grace filled transitions and more. As I read the book, I learned about the variety of experiences filled with Grace. It's enjoyable and uplifting read.

When I first heard the word grace in the title, I was hesitant because I did not associate myself with that word. After reading the month of January, I recognized multiple examples of how grace has always been a part of my life. The remaining stories from men and women touched a deep knowingness inside of me regarding the mysteries we all encounter that can be hard to define yet unforgettable once experienced. I highly recommend this book.

Before reading "365 Moments of Grace", I knew, in my head, that grace can be found in every moment. Now I feel it in my heart - I have experienced it in so many diverse places, experiences, thoughts and emotions, through the courage and honesty of the contributors to this beautiful book. I didn't resonate with every piece, but so many of them felt like my own experiences, explored with a close friend to uncover the grace I hadn't noticed. Although the book is wonderfully encouraging and hope-giving to me, it isn't all sunshine and roses. There is the full gamut of human experience and emotion, from raw moments of deep sadness to incredible heights of joy, gratitude and love. It really brings home the message that there is grace in every moment - the good, the bad, and the ugly. I am really grateful that the authors were so open to sharing some very personal pieces of themselves - so often, those are the places grace is experienced. For anyone who is drawn to this book, I am certain they will find some invaluable reminders and learnings, not to mention a sense of deep connection to some of the authors. I would definitely suggest keeping a few bookmarks handy, along with a notebook to jot down the take-aways.

Filled with stories that will reach deep within your heart and touch a part of you thatâ™s forgotten, too often ignored in our busy, fast-paced day-to-day lives. Though some of the stories were heart-wrenching, the beauty and soul of grace is prevalent and runs through all of them. Reading this book felt like getting carried away into a vortex of loving grace and I found myself slowing down, breathing deeper and wanting to savor each story, letting it linger long after it was read. Highly recommend this for anyone wanting to connect with a deeper, more soulful, graceful state of being.

Wonderful book filled with short, light inspirational stories of grace, faith, synchronicity and renewal. Perfect book for a tough day, a rainy afternoon or a mood booster. This book is magical, restorative, warm-hearted and sincere. Great gift for a friend.

This book is a delightful read. The contributing authors share their stories and experiences from the heart that really touch your soul. Great variety, so many different and relatable life experiences. It is this the fabric of life that makes us human. Challenges, fears and joys: you will smile, laugh and cry. A must read. The stories span times and places. Thank you Jodi, Dan and contributing authors for such a beautiful and thoughtful book.

365 Moments of Grace is such an uplifting book! I received this book last week and I cannot put it down. In a world with so much darkness, this book is a shining ray of light.

This book is a riveting account of faith experiences that uplifts the spirit. Stories are short but the impact is profound and lasting. High Recommended as a gift to self or for distribution.
