Customer Reviews

Just received my order after four days of waiting. Item came quickly as expected. The sheet music was in excellent condition when arrived and seems to be of a good (but not terribly outstanding) quality. The printed text is very clear, fine, and a little on the thinner side, but good in quality. The only worry I have is the spine, which (being so thinly magazine-like bound) might come down with heavy use. Of course, this is just an impression, and it hasn't fallen apart yet, but the spine quality does seem to be a little thin so it doesn't get a complete five stars (four and a half, maybe). Informing other buyers, this is a urtext edition with no fingerings. It is to my knowledge that much post-Romantic/"Impressionist" piano music was edited without fingerings, so if you're looking for an edition full of finger numbers, this particular one might not be for you.
