Paddling Connecticut And Rhode Island

Customer Reviews

I would not have bought it if I knew it was published in 2009. I wanted info on the dam renovations and dam removal on the pawcatuck river but the bk info is outdated and doesn't have it. Kind of weak in western ct as well. Only portions of 3 rivers for all of western ct. Thought it was funny he'd send paddlers down the upper 5 mile river in summer as well. Obviously the numerous beaver dams, low water, and downed trees weren't there 8 years ago.

This is a fantastic resource for all those canoe and Kayak enthusiasts! A job well done with maps of waterways and tributaries in this New England area. Would highly recommend this book!

This is a terrific book for the local paddler. Clear, easy to read and specific in the directions. A must have.
