Into You

Synopsis

What do you do when the body you wake up in isn't yours? Olly and Scott promised to be best friends forever. They grew up on the same street, went to the same school, and did everything together. But one hot summer night, teenage experimentation caused hurt feelings and confusion, and their friendship was destroyed. Four years later they're both eighteen years old and in their final term at school. Scott is a football star and Olly's preparing for a main role in the school play. After a heated argument in the street "witnessed by their mysterious, elderly neighbour" they wake up the next morning stuck in each other's bodies. With no idea how to get back to normal, they have to co-operate in order to hide their secret. Spending time together rekindles their friendship, yet feelings run deeper for both of them. With the end of school fast approaching, the clock is ticking. Unless they discover how to change back, they could be stuck in the wrong bodies forever. Length: 57,000 words

Customer Reviews

This is an upper YA/New Adult type of read which features two 18 yo boys who finally experience a

real love. Olly and Scott were best mates from the ages of 9-14. Then there was a kiss. And, their friendship dissolved. Olly admitted he was gay, and Scott would never admit to such a thing, not with his extremely homophobic father pressuring him to keep away from Olly. Now, they are 18, and finishing their A-levels (think: senior year in high school here in the US). The pressure is on, and their coming exams will determine which uni they'll attend. When Scott takes a bad turn and injures Olly by mistake, their animosity is exposed out on the street. Miss Wychwood, odd neighbor to Olly, takes a particular interest in the melee, and it's not long before Olly and Scott have their lives turned upside down. Olly wakes inside of Scott, and Scott is trapped in Olly's body. It's a body swap! I've loved this trope since the original Parent Trap (with Hayley Mills!!) and I really enjoyed how it worked here. Instead of Olly and Scott helping others connect, they get a unique chance to discover all the good and bad bits of the other, and come to terms with their true feelings. While "Olly" is brushing up his footie skills so as to not shame Scott on the school pitch, "Scott" is learning all the lines for Romeo, as he's now the lead in the school play. If it means "Olly" gets the chance to flirt with boys--and even kiss them (as Scott has secretly desired for a while), well then "Scott" must also snog "his" girlfriend. Poor Olly! He sure knew he didn't have a single scrap of heterosexuality after those experiences in Scott's stead.
