Bed Bug Basics (The Bed Bug Chronicles Book 1)

Synopsis

Learn the importance of bed bug education and why they have become one of the biggest game changers in the pest control industry. The future of bed bugs and their invasion depends on people and what they know about them. This book is a must read for all!

Customer Reviews

"Basics" is the operative word here. This is a short book giving very little information. Much better books are available on at the same price or less. I recommend The Bed Bug Book or Bed Bug Treatment Manual.
