Customer Reviews

Ok,this is what I'm talkin' about! Easy recipes packed with flavor. Football season is here (REAL football, not that other "football") and your buds will be dropping by...and hopefully they will bring some BUDS with them. Great snacks, easy to make and fun to enjoy...I'll be making 'em this weekend. Some are new, others are tried & true and a few have been "borrowed" (MuddyBuddys...right off the cereal box), but a good collection for this weekend at home or maybe even for your tailgate party. And don't forget, it's not too early to start planning your SuperBowl party...go Patriots! Grab this book...and don't wait for Saturday, these recipes are too tasty to wait!

Football is a great sport to watch if you have the right snacks to enjoy with it and this book is full of some really delicious recipes. Thank you.

Mostly well known ideas, but they add their own twist to the food.Some pretty delicious ideas!

If you love appetizers at your parties then you need to get this book
