Customer Reviews

I have an English version of this book which is fantastic. Because I know people who doesn't speak English, I ordered two (2) of the Spanish versions. Unfortunately, I never received my book. Seller never sent me a tracking number. After more than 20 days waiting for the book, I contacted the seller and got a full refund. I'm giving this book only 1 star, because I didn't get the chance to actually review the Spanish contents and compared them to the English version for accuracy.
