Customer Reviews

This book was in better condition than the seller listed it as, which I always appreciate. I also enjoyed the anthology its self. It included a wide selection of Victorian Poetry, some of what I had read and some that I hadn't. The biographies on the Victorian authors were also very helpful.

If you love classic literature, then this is a must. Anyone with an interest in English literature must study this book carefully.

Took a little long, but within time advertised(gave a wide range for delivery date). Arrived in perfect

condition. Great anthology and good price.
