GURPS Traveller Planetary Survey 1: Kamsii, The Pleasure Planet

Synopsis

The first of a new series of 32-page GURPS Traveller books, each one a detailed look at a single planet. Written by Loren Wiseman and Steve Jackson, this book describes a planetary theme park -- a whole world dedicated to entertainment -- but with a hidden dark side. From family fun to lavish decadence, from hundred-mile kiddie rides to recreations of the court of Caligula, Kamsii has it all. The Kamsii Company says everybody will have a good time, and nobody crosses the Company. Not twice.

Book Information

Series: Gurps Traveller Planetary Survey, 1

Paperback: 32 pages

Publisher: Steve Jackson Games (March 2002)

Language: English

ISBN-10: 1556344953

ISBN-13: 978-1556344954

Product Dimensions: 6.5 x 0.1 x 9.6 inches

Shipping Weight: 2.6 ounces

Customer Reviews

If you're familiar with the GURPS line of products, you know they usually come in 8.5 by 11-inch hardback or square-bound softback format. This booklet is smaller, only 32 pages long, with staple binding. It's divided into the following sections: Introduction History Kamsii Today Extra-Stellar Relations Characters Adventures on Kamsii Index Overall, I'd say this product is, well, "okay." It's got a map of the planet, but nothing on a smaller scale. No cities, no starport, none of the natural areas. There's a reasonably detailed history of the system and a barely adequate description of the world today. There's one (and only one) description of a native animal, and the "equipment" list is limited to a handful of souvenirs that can be bought. The "characters" section is pure fluff. It amounts to little more than a bunch of one-sentence ideas for character backgrounds and attitudes. The "adventures" section has a fairly extensive list of ideas for adventures, but nothing to help flesh them out, leaving you to do the hard work (but, hey, it's a planetary survey, not an adventure). Some of them are interesting though.
