Sonata In A Minor, K. 310 (Alfred Masterwork Edition)

Synopsis

Mozart composed only two sonatas in minor keys and it has been suggested that the dark quality of this A minor sonata was influenced by events surrounding the death of Mozart's mother. The three movements are Allegro Maestoso, Andante cantabile con espressione, and Presto. Dr. Hinson includes performance footnotes and pedaling suggestions.

Customer Reviews

Very unhappy with this edition - wrong notes - incorrect articulation.I bought this because the very old edition from our teacher was too expensive for us to purchase. We tried to edit this edition to match the older more accurate version but there was just too many edits needed.Do not buy this if you are trying to really have an accurate, high level edition.I guess you do get what you pay for....
