Customer Reviews

I bought this as an add-on gift Valentine's Day gift for my husband. I thought it was a cute idea and liked the variety of coupons offered. It comes exactly as pictured and each coupon is made of sturdy cardstock so they aren't flimsy and have a high quality feel to them. I also love that the coupons include a wide variety of interests and acts. They're cute, romantic, and I'm sure will be appreciated by anyone who receives them. I will say, that these coupons are geared towards "lovers". So, if you're looking for something to give that special someone but you don't live together, or aren't "lovers" then some of the coupons might be a little useless. You get 20 coupons in all: 1. Alone Time, 2. Breakfast in Bed, 3. Craving Delivery, 4. Big Juicy Kiss, 5. Candlelit Bath, 6. Cuddle Session, 7. Date Night, 8. Designated Driver, 9. End to Argument, 10. Errand of Choice, 11. Fantasy of Choice, 12. Foot Massage, 13. Friends Night, 14. Full Body Massage, 15. Household Chore, 16. Makeup Session, 17. Movie of Choice, 18. Shower for Two, 19. Sweet Forgiveness, 20. Weekend Getaway. Each coupon comes with a clever description/explanation. I loved these. I know my

husband will love them, too!

A great idea in theory. I bought these to put in my boyfriend's Christmas stocking, but when we thumbed through them together, they seemed to be more appropriate present for women instead--foot massage, candlelit bath, cuddle session, etc. There weren't as many options geared towards men and I wish that that had been mentioned in the product description. Very high-quality light cardboard stock and well-printed, nice-looking coupons though.

These are awesome and SO cute! Perfect for valentines or anniversaries. They are big and the ideas are super fun. For example "1 Hour alone time" "movie of your choice" "candlelit bath" etc.

Some people were saying that several of these were not applicable to their relationship and therefore gave the product fewer stars. That's ridiculous. If most of them cater to you, then you've still got an amazing product. If none of them cater to you, then you should probably re-evaluate your relationship. Anyway, all but 2 or 3 of these worked for my boyfriend and I, and we're long-distance, but they are things we can do when we have visits. The design is top-notch and they look VERY professional. I'd recommend them to anyone. We liked them so much that instead of "signing off" or initialing when one is used, like it suggests, we tore them all out of the book and we're trading them back and forth. Therefore I "pay" for a foot massage with my coupon, and now he has a coupon for a foot massage, etc. Multiply the love. :)

I got these vouchers for my boyfriend and i know he's going to love them. They look so cute and have pretty much every voucher i can think of and a few extras that add just the right touch. The cuddle session one is perfect since i hate cuddling and my boyfriend loves it. Definitely recommend it!

I love these coupons! They are super romantic without being raunchy, and all of them involve actual things that couples can do to show how much they care about each other when everyday life sometimes gets in the way of doing the little things that makes partners feel appreciated and/or special. I got this as a Valentine's Day gift for my SO, but we ended up splitting up the coupons because we quickly realized who would use which coupons and shared laughs about that. I'm a hopeless romantic kind of girl so of course I got the "Big Juicy Kiss" and "Cuddle Session" ones in my batch of 10, and he's your typical guy's guy so he got "Alone Time" and "End to Argument" in his

batch of 10! He seemed to like his as much I like mine, so this was definitely a winner!!! Most likely will be purchasing more of these! Thanks knock knock!!!!

I purchased these vouchers as part of a gift for my wife for our anniversary and she absolutely adores them. The vouchers range from simply sweet or thoughtful to sensual- I think she appreciated the fact that they were not strictly sexual. Really good packaging and presentation- would definitely recommend!

I wanted to give my wife some fun and useful coupons. I ordered these after I did look at them online and they were exactly what I wanted.
