## Synopsis

Do You Fear for Your Safety or that of Your Family? Are You Living in Constant Fear of a Mass Shooting or Terrorist Attack? If Disaster Struck Today, Would You Be Ready or Would You End Up Growing the Ranks of All the Casualties Who Didn't Bother Prepping? Whether natural or man-made, disasters seem to have become the norm. Every day, when you turn on the TV, you can be certain to hear about a suicide bomber, an earthquake or some devastating plane crash. Every day, men and women like yourself get injured and even killed because they found themselves at the wrong place at the wrong time. And the scariest in all this: it could be you next... unless you get **â œDanger Readyâ •!** Learn the Exact Skills to Disarm Any Threat Fast and Effectively! Surviving a catastrophe is not a game of luck. It takes a certain mindset and physical condition. Donâ™t leave anything to chance; discover the tools you need to sharpen to be ready to act when danger comes knocking at your door! Discover how to defuse the ill effects of cognitive dissonance and other detrimental reflexes that could cost you the precious seconds required to plot your escape. As youâ™ll learn in these pages, itâ™s all about triggering the mentality shift that will turn you from victim to man-in-control-of-his-destiny! Develop the Confidence of a True Survivor! In most life or death situations, people lose their cool and start acting so out of character that itâ™s often their erratic behavior that ends up costing their life! Learning how to build shelters or forage for food wonâ™t do you any good if you canâ™t stay alive long enough for you to apply those skills! Through the different chapters of **â œDanger Readyâ •**, we will see how to master our emotions to stop panic dead in its tracks and avoid the dreaded deer in headlights look. But also, how to control the adrenaline dump that accompanies every threat and how to use it to your advantage to withstand any disaster scenario and prevail. Get the Exact Step-by-Step to Survive Any Possible Danger! You need to read this guide if youâ™ve always wanted to know how to pull through: Tornadoes; Violent earthquakes; Civil unrest; Kidnapping; Hostage situations; And much more! The fact is: weâ™re not living in a carebear world where every person you meet is going to smile and say **â œHiâ •**, where Nature will always act as a gentle and benevolent force. No, the real world can be a ruthless and unforgiving place, and you never know who the next target will be. It could be you or one of your loved ones. Thatâ™s why you need to get **â œDanger Readyâ •** ASAP. The truth is that you can learn how to ensure your familyâ™s safety and yours, but it takes a certain knowledge and skillset. Our own Superhero, the extremely buff and handsome author Markus A. Kassel, earned degrees in Psychology and in Communications and a black belt in Karate, and is a ring-tested kick boxer. This combination of educational and physical training has allowed him to accumulate a vast wealth of knowledge, not only on the quickest means to attain one's physical peak but also on what it takes to toughen up mentally and develop a sharp, indestructible mind. In his initial REAL LIFE SUPERMAN books his emphasis was on training and muscle and strength building, becoming tougher and deadlier â " how to prepare to defend your self fighting! And that is precisely why he subtitled his editions How Overcome Your Limitations, Build Self-Confidence and Grow and Invincible Mind. Now he dares us to go for adventure and action to make us truly well rounded ready for anything Supermen Just as he did with is last books SUPERHERO SIX PACK and SUPERHERO ARMOR PLATED CHEST he expands his arena of knowledge and coaching and if there is any doubt as to his exercise in this field, the physique of the sculpted hunk on the bio page is Markus himself! He pauses for books on aging, diet, and health, reaching into our psyches with SUPERHERO KILLER CONFIDENCE. And now with the â ^armorâ ™ he has given us Marcus prepares us for all manner of dangerous situations we could (and likely will) face unless the world calms.From Markusâ ™

previous books we have learned he is a pragmatist â “ get right down to the problem, teach the way out of the present state and move into the new safe you! In this new book Markus offers his evaluation of being prepared for various dangers. â ^The world doesn't need the Joker, Doctor Doom or the Green Goblin to be a dangerous place.
