Synopsis

Mientras Harry espera impaciente en casa de sus insoportables tíos el inicio del segundo curso del Colegio Hogwarts de Magia y Hechicería, un elfo aparece en su habitación y le advierte de que una amenaza mortal se cierne sobre la escuela. Harry no se lo piensa dos veces y, acompañado de Ron, se dirige a Hogwarts en un coche volador. Allí, Harry oye extraños susurros en los pasillos desiertos y, de pronto... los ataques comienzan. La siniestra predicción del elfo parece hacerse realidad.

Customer Reviews

Es un libro con personajes muy interesante y amable, un mundo lleno de magia y misterio, y hechos increíble y mágico. Es un libro para todas personas de todas edades. Harry Potter va a robar su corazón.

I bought the Spanish version in order to help me learn the language. What a fun way to learn with a familiar story!

Harry Potter is back at Hogwarts, his wizarding school, and thankful for it. He had the worst summer

with the Dursleys, his aunt, uncle, and cousin, whom he hates. He met a house elf, who caused him to be locked in his room for 3 days, with next to no food at all. Then the Wesleys come to rescue him, in a flying car. But that is not all that happens, Harry and Ron can't get through the wall to the Hogwarts train that awaits them on the other side. Then they remember the flying car. After a rough journey to his school and an even rougher landing, Harry Potter thinks that it can't get worse, but it does. A cat is found hanging on a lamp post in front of Harry, Ron and Hermione, not quite dead, but not really alive, it was Stunned. Then, even worse, a student is next. Everyone, but a couple of his friends thinks that Harry did it. And when people keep getting Stunned, no one believes that he is innocent. It is up to Ron, Hermione, and Harry to find out who is really doing it, before the Hogwarts students get killed off one by one.....This is one of J.K. Rowlings best. And if you like this book, she is writing 3 more! I also suggest Harry Potter and the Sorcerer's Stone, the first book, the third book, Harry Potter and the Prisoner of Azkaban, and the fourth, Harry Potter and the Goblet of Fire. There is going to be 7 books in all. So far, each book is even better written than the next. This is a great series!

Fast delivery with no issues.

My daughter and I are reading the Spanish version to practice our Spanish! We love Harry Potter so this was a fun way to accomplish our goals!

Lectura para padres e hijos. Sensacional poder compartir estas aventuras con los niños que buscan despertar su imaginación y curiosidad.
