Pocket Companion To Textbook Of Veterinary Internal Medicine, 3e

Synopsis

This handy pocket-sized manual provides clinical signs, diagnosis, and treatment regimens in a quick-reference guide format that's ideal for busy practitioners and for students who need to review essential management information. This practical resource is fully cross-referenced with the Ettinger textbook and provides a valuable drug formulary in the Appendix which gives essential information on dosages and schedules.

Customer Reviews

I have been doing veterinary relief work and also own a mobile practice, so this is a nice text to have to carry with me instead of having the 2 large volumes.

I am agree with the purchase
