Customer Reviews

A few soups mainly cold and smoothie recipes. All pretty basic. One recipe called for ingredients that weren't listed. Yet a few recipes did sound tasty and seemed easy to prepare. I would have liked some entrees or even decent side dishes. Title should clarify that it's appetizers and smoothies.

Easy to make and very tasty recipes. Looking forward to trying more of them. Thanks for helping me get on the right path.

Just okay for me. There weren't a lot of recipes that I would normally make.

Wonderful! Easy and everything tastes amazing!
