One Night With You (The Derrings Book 3)

Synopsis

Anything can happen after dark . . . Tired of being treated like a servant by her own family, Lady Jane Guthrie finally has a chance to escape . . . at least for one night. Attired in a daring gown, she arrives at a scandalous courtesans' masquerade ball looking forward to her few hours of freedom. But when she sees Seth Rutledge, her skin begins to tingle with anticipation. Many years ago, Seth broke her heart by falling for her beautiful, title-hungry sister. But now here he is, right in front of her, offering her his lips . . . Embittered by war, Seth returns home to inherit the title that would have once won him the woman of his dreams. Though duty demands he wed, he's convinced passion no longer has a place in his life . . . until a masked siren sets his heart aflame. Desperate to find her again, he has no idea it's his childhood friend Janeâ and that after one night together their lives will never be the same.

Customer Reviews

Widowed more than a year ago by a husband she never wanted, Lady Jane Guthrie now finds

herself in the despicable position of having every facet of her life controlled by her lecherous brother-in-law and his wife. Using her as everything from errand-girl to governess for their children is bad enough, but the lewd looks her late husband's brother gives her makes it clear he wants even more. Determined to assert her independence and enjoy herself on one rare occasion, Jane sneaks off one evening to attend a most decadent masked ball thrown by one of the town's most notorious Courtesans. She never expected to find her childhood best friend there, the man she never stopped loving - Seth Rutledge. She is even less prepared for his surprisingly amorous reaction to her now. It must be the mask, of course. If he knew who she really was, he would never touch her, not in a million years. Would he? As a fan of historical romance, I found Sophie Jordan's *ONE NIGHT WITH YOU* very enjoyable. This delightful romance was wonderfully three-dimensional, fraught with sexual heat, intrigue, and tortured lovers. Ms. Jordan weaves a story that the reader can picture almost as if they were standing on the sidelines watching it all in real time. From the moment we meet the main characters, I felt as if I knew them. Indeed, I wanted to know them - an element most important for both the story's hero and heroine. While extremely likable, both bear pain from their past that causes each to doubt whether or not the other can truly love them, even as they crave that very emotion from each other. A shared history makes it even more difficult for this pair to come together without the benefit of anonymity they enjoy in the beginning of the story.
