The Best Women's Stage Monologues And Scenes 2011

Synopsis

Here you will find a rich and varied selection of monologues and scenes from plays which were produced and/or published in the 2010-2011 theatrical season. Most are for younger performers (teens through 30s) but there are also some excellent pieces for women in their 40s and 50s and even a few for older performers. Some are comic and some dramatic. Some are rather short, some long, and all represent the best in contemporary playwriting.

Customer Reviews

I've caught about 20 typos and errors within the first 4 or 5 monologues- despite the errors, this book is pretty good. Great, realistic, and funny monologues. Most are well written. If you could get past the editing, I definitely recommend!
