Another edition of the elite Waffen SS division Leibstandarte during the Ardennes Offensive. More quality high gloss photos of wrecked or abandoned German armor. It's that simple. If you are interested in looking at such things then I suggest this book. If you are looking for a detailed book on this offensive operation look elsewhere. This is pretty much a photo album.

Fantastic Reference Book for Plastic Scale Modelers who want to "build" a Panzer from Kampfgruppe Peiper during the Battle of the Bulge..... Awesome Detail of Peiper's "Trek" through Belgium..... Highly recommended.....

It's all been said in other reviews. Well done & a welcome addition to my library. Wishing I could find a 1st Volume for a reasonable price.

Book arrived within the specified time frame. Excellent reference material. Great photos.
