# Written In Fire (The Brilliance Trilogy Book 3)

## Synopsis

For thirty years humanity struggled to cope with the brilliants, the one percent of people born with remarkable gifts. For thirty years we tried to avoid a devastating civil war. We failed. The White House is a smoking ruin. Madison Square Garden is an internment camp. In Wyoming, an armed militia of thousands marches toward a final, apocalyptic battle. Nick Cooper has spent his life fighting for his children and his country. Now, as the world staggers on the edge of ruin, he must risk everything he loves to face his oldest enemy—a brilliant terrorist so driven by his ideals that he will sacrifice humanity's future to achieve them. From one of our best storytellers • (Michael Connelly) comes the blistering conclusion to the acclaimed series that is a • forget-to-pick-up-milk, forget-to-water-the-plants, forget-to-eat total immersion experience • (Gillian Flynn). The explosive conclusion to the bestselling Brilliance Trilogy. • The kind of story you've never read before. • • "Lee Child, New York Times bestselling author of the Jack Reacher Series • Ridiculously good. I love this story so much. • • "Gillian Flynn, New York Times bestselling author of Gone Girl • Sakey brings his cinematic series to a ferocious close. • • "Kirkus

## Customer Reviews

Adventurous and twisty. Great storytelling . . .not so much.In the world of Nick Cooper there are bad people and people he has sex with. Okay, so that may be a bit of a generalization but seriously, it sorta seemed this way when Nick stood in judgement for trying to make the best of bad situations. It really opened my eyes to how he was able to justify huntind down so many brilliants during his career with never a sleepless night.I guess what I'm saying is that I think Nick Cooper is not the hero of this story and I'm still not sure who is.I should spend a little time taling about the resolution of this story. Discuss the moral turpitude of the political establishment and the many shades of gray that the monmodern military industrial complex exists in, but I'd much rather talk trash about Nick.1. Nick tells the reader and many characters how he will do anything to protect his family yet he totally fails to empathize with others who do the same thing (tiny spoiler\*\*\*\*\* don't read this if you haven't finished the book \*\*\*\*\* he says some craptastic things to Erik Epstein for the defending the colony from an invading army).2. He gets the wife back (like John McClain in Die Hard) and saves the day. He also hooked up with a sexy love slinky assassin girl. Somehow this isn't a bad thing, it's just so manly I think I sprouted some sympathetic chest hair.3. He's kinda slow on the uptake. Ole Nick isn't really a thinker. For someone who has pattern recognition as a super power (I was thinking of Where's Waldo whenever his pattern thing was mentioned) he seems a bit lax on human actions and reactions.
