Customer Reviews

This little book was just what I needed to look up the value of my old coins and currency. Very informative.

I ordered a coin collecting book concerning the basics of the activity and am very pleased with the ordering and shipping process!

Inclusive and perfect size to carry in your pocket to Coin Dealer honest. The limitation of this resource is that it only gives very fine and uncirculated.

great reference book--have already used it many times--good picture identification and many facts--really helps a novice--don't have any thing else to say!

I would recommend this book to anyone that is willing to buy and sell old US Currency. Value the Bill before you Buy the Bill.
