Taken At The Costume Party (Watching My Wife)

Synopsis

I switched costumes before the party, and my wife ends up taken in front of the whole crowd! It's time for the annual costume party at their friend's mansion, and Mark can't wait to take his pretty wife Amy in one of the many bedrooms. His colleague Chad has an interesting offer: If they switch costumes, Mark can safely spy on his wife, and see what she gets up to when he is not around... Mark quickly agrees, but he is in no way prepared for what will come... Mark will realize his wife is a tease, and teases get taken by multiple men, hard and without any protection... in front of a crowd!

Customer Reviews

The premise had the potential to be a great story, but the poor writing kept it from doing so. Zero character development and too impatient to get to the sex scenes made this seem as if it were written by a novice.

Guy has costume, guy trades costume, guy watches what wife does and likes it. Story teases you with what you think is going to happen; when guy who has 1st costume starts something not supposed to happen and original guy steps in and then gets pushed out, story has good twist on this plot with some good action scenes..

Wonderfully HOT story about a sexy wife, deceived by her husband. After a nice build-up the heroine has two lusty scenes. One regular MF ending in an exciting facial. The second even nastier, an anal ending in a spectacular ATM. Well done Emilia.
