Uu&me!: Collected Stories (Unitarian Universalist Storybook ELibrary)

Synopsis

Twenty-six stories from the first five years of uu & me, the kids' magazine published by the Church of the Larger Fellowship (CLF). Fact and fiction, historical and modern, mythical and real-life, these stories have the power to spark imagination and stimulate reflection on how our faith informs our real lives. Includes biographical sketches of historical figures significant within Unitarianism and Universalism, and a selection of stories about Raychel and Tony, the two fictional Unitarian Universalist kids who appear regularly in uu & me, sharing UU Principles in action. Williams was CLF director of religious education for more than 10 years. For home and church school settings.

Customer Reviews

We are reading this book as a family and my seven year old is really enjoying it. She often requests that I read another chapter when I put the book down. The stories vary from fiction, nonfiction, and biographical. We find the stories to be informative, imaginative, interesting, and thought provoking. It is a great addition to our homeschooling resources.

This is a wonderful collection of stories that explains UU history, and events. There is also a

character education section, which can be used ideally in a home or group setting.
