Customer Reviews

Beric Dondarrion shows up on 6 pages throughout the book. The exact same page about Beric 6 times. Maybe it's supposed to be a joke, but it feels like a printing error. The book is small (in size and length) and some of the characters covered aren't memorable, plus it's now outdated. An online recap would be better.

This book delivered exactly what I expected. This is a very quick read and can serve as a reminder that no one is safe on either side of the wall.

My son said to soo, but read it anyway and loved it.
