Customer Reviews

Don't waste your money. I insist !! Not a good book. This book was all over the place. Don't think the author could decide where to take this story ... ugh! Luca & Lola met in college. Both of their families were involved in the mafia. He recognized her. She did not know him. There was sooo much oral s&x in their relationship that I really couldn't understand why the author didn't just go for the intercourse. There was so much that I started to skim through it & I have no issues with reading about that. It was just sloppy. Totally a turnoff. All that slurping & humping (not my words ... straight from the book). Oh yeah ... we need to believe she was a virgin too. Whattt?? uh uh ..Then her father basically sells her to Luca's father, right out from under Luca to settle a debt. Guess who gets to have actual intercourse with her?? Luca's brother Carmine! Luca was hurt & pissed at what his father arranged. So was Lola (or so you thought) .. but the first time Carmine kisses her, she's all over him. Couldn't get enough !! Huh?? Wait ! Thought you were in love with Luca?? Luca is sent away. Then after years & years of great physical relations and feelings for brother/husband Carmine, she wakes up realizes she's in love with Luca afterall. I mean, I was so done with this book! The storyline was just crazy, out there ,, too much .. way too much!! Luca comes back into the country. Now Carmine & his wife Lola plot & scheme to get wifey-Lola & Luca (the discarded brother) back together. (Yes people, I acutally did say that !). Who does that???? The father pits both brothers against each other again. Luca comes out on top this time. Now Carmine is mad and starts to beat the cr@# out of his wifey-Lola Yup after years of great s&x and lots of it too.
