Drug Education Library - LSD

Synopsis

Once hailed as a cure for everything from schizophrenia to depression, LSD went on to become a notorious, illegal street drug associated with "hippies" and the counterculture movement of the 1960s. Although illegal LSD use declined in the 1970s, the hallucinogen made resurgence in the 1990s and remains one of the most poorly understood drugs in the world.

Book Information

Series: Drug Education Library

Hardcover: 112 pages

Publisher: Lucent Books; 1 edition (August 20, 2004)

Language: English

ISBN-10: 1590184173
