GURPS Traveller Heroes 1 (Bounty Hunter)

Synopsis

Wanted! Reward! Millions of people are on the run. Some have defaulted on loans. Some have skipped bail. Some have stolen from their employers . . . or their loved ones. And some simply know things that they were never meant to learn. All of them are trying to lose themselves in the Imperium - and it's your job to find them before they do. GURPS Traveller: Heroes 1 - Bounty Hunters is the first in a series of books expanding on the character templates found in the GURPS Traveller rules. Contained within, you will find:

- * A full discussion of bounty hunting in the Imperium - including what to do when the local authorities won't cooperate.
- * New templates for corporate bounty hunters, repo men, skip tracers, and lots more!
- * GM advice on running a bounty hunting campaign.
- * And plenty of NPCs to use as allies, rivals, or targets!

Packed with useful information for players and GMs, Bounty Hunters is an invaluable addition to any Traveller game - and look for more books in the Heroes series coming soon!
