Spanish Reader Intermediate II: Short Stories In Spanish (Spanish Reader For Beginner, Intermediate & Advanced Students) (Spanish Edition)

Synopsis

Spanish Reader Intermediate II is the continuation of Spanish Reader for Intermediate Students, published in 2013. In the second book you will find the same writing style that kept you entertained for hours, in addition to Spanish Grammar Structure that require extensive practice, such as reflexive verbs, The Subjunctive Mood, and transitional phrases. Our eighteen volumes of Spanish Readers and Conversation Books have been written with the sole purpose of teaching you what other Spanish schools will never teach you: current grammar usage and vocabulary, and all the uses of the Subjunctive Mood—all in one. In addition, you will find a vast usage of adjectives; some of which begin with negative prefixes, such as *des-* and *in-*. Every story you find in Spanish Reader Intermediate II provides insight into the culture of Costa Rica within a context that describes tradition, contemporary life, the people, the region, beliefs, superstition, and the way our people think and feel. Together with Spanish Grammar, these stories provide a great source for the acquisition of new vocabulary through intuitive learning while the student continues to be entertained by an interesting plot. Whether you are an independent student of Spanish, a college graduate who has not practiced Spanish for a while, or an advanced student of Spanish, you will find this collection of short stories the most useful Spanish Language learning material you have come across. I truly hope you find these short stories as entertaining and helpful as they are meant to be. Iris Acevedo A. Author/founder <http://costaricaspanishonline.com>
