Kindle Fire HD: The Missing Manual

Synopsis

Amazon's Kindle Fire HD combines the most popular e-reader and tablet features in one sleek package, and with this entertaining guide, you'll master everything the Fire has to offer. With loads of illustrations, step-by-step instructions, and savvy tips, you'll learn how to manage your media library in the cloud, find the coolest apps, and make the most of your Kindle Fire experience—no matter which model you choose. The important stuff you need to know: Read all about it. Find ebooks and newspapers in the Kindle Store, and add your own books and magazines. Use great new features. Discover Amazon's X-Ray service, and parental controls for individual users. Take in a show. Watch movies and TV series, and display your photos and videos. Go online. Browse the Web and manage email with Wi-Fi and 4D LTE. Fill up your jukebox. Listen to your favorite music from iTunes. Load up on apps. Get popular games, guides, and references with Amazon's Apps for Android. Get to work. Read PDFs, Word files, Excel spreadsheets, and other docs.

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars — See all reviews (171 customer reviews)

Best Sellers Rank: #368,101 in Books (See Top 100 in Books) #109 in Books > Computers & Technology > Hardware & DIY > Personal Computers > PCs #227 in Books > Computers & Technology > Mobile Phones, Tablets & E-Readers > Handheld & Mobile Devices #5090 in Books > Textbooks > Computer Science

Customer Reviews

For any of my devices they cover, the Missing Manual books are my go to series to make sure I'm getting the most out of my devices. The reason for this is simple. They are as close to comprehensive as you can get and they are laid out intuitively to get you from identifying what you don't know or what you want to look up through implementing that feature. There may be other series out there with more thorough walk throughs (My Kindle Fire (My...) has great walkthroughs

and more button by button labeled images), but if you don't need quite that level of hand holding, you will (usually) get a lot more bang for your dollar with the Missing Manual series in terms of both content depth and insightful commentary. So that's my experience with the series and that experience contributed to the lofty expectations I had when I picked up this book. So far it has not disappointed. Explanations are clear and concise. Pictures are not only crisp and nice to look at, but are usually relevant to what is being explained and really do enhance learning and understanding (something I've found not to necessarily be the case with all books). The commentary on different functions and applications provides greater insight into the Kindle Fire than I'd imagine 90+% of users have. It not only lets you know what's worth mastering and really understanding, but also what features are lacking and could be improved upon with a third party app. The author has an obvious sense of humor and it comes through in the writing.
