Gods, Goddesses, And Images Of God In Ancient Israel

Synopsis

How were male and female deities understood in ancient Canaan and Israel? How was the Yahweh cult affected by religious and political features of Egypt, Assyria, and Canaan? Justifying the use of symbols and visual remains to investigate ancient religion, the authors reconstruct the emergence and development of the Yahweh cult in relation to its immediate neighbors and competitors.

WHO ARE YOU WORSHIPPING TODAY??? NAMES TALISMANS AND CHARMS THAT PEOPLE KEEP. DO YOU KNOW THEIR ORIGINS ????? MIND BLOWING INFO AS YOU LEARN THE TRUE ORIGINS OF gods and graven images from way back before Moses. It is a resource book good for further understanding of scriptures. Baal, Dagon, Yahweh ring a bell? find out in the reading

Its a lot more I have to read..but from the start it open your eyes to all the false gods people worship even today; showing you symbols, art, etc etc...but for as the name of God most people call on today is the names of the pagan gods in the pass.....Wow. think about that....if its possible deceive the very elect. ..even the whole world...something to think about. ..

Learning about ancient Israel is very imperative as not much history is revealed in The Scriptures we have today. Quite eye opening and causes one to think and continue to research what it was really like and why they acted like they did. If only more people would move outside of the box and

instead of being spoon fed every Sunday, begin to search for truth on their own! You would be amazed at what you find!! Do you honestly know why you believe what you believe?

Wonderful; book

very good book and prompt delivery
