Customer Reviews

It is a fantastic translation of the original, We're Going on a Bear Hunt. We actually own it in both English and Spanish; they are currently my daughter's favorite books to read. Such a great way to teach concepts of over, under, and through it. Also a great way to get the hubs involved in reading as I read the Spanish version and then its his turn to read in English.

I first read this book in Spanish and I was disappointed when I read the English version because the Spanish version is so wonderful. It is a great translation and a lot of fun to read out loud. I only wish this book was still in print. We have been reading a library copy and I will be sad to see it leave our house.

De entre los libros para niños, este es uno de mis favoritos. Las ideas son muy organizadas y bien expresadas. Lleva al lector en una aventura emocionante, con palabras muy descriptivas.

Maravilloso para estudiantes del idioma español con tanta repetición pero a la vez mucha variedad.

I love this book and my students too! Este es uno de mis libros favoritos! Apto para todas las edades!

Excellent book.
