Billionaire Boss, M.D. (The Billionaires Of Black Castle)

Synopsis

Will this doctor's passion trump vengeance? Find out in this billionaire boss novel from USA TODAY bestselling author Olivia Gates! Rumors swirl around the world-famous surgeon who just added Dr. Liliana Accardi's research lab to his vast empire. And from their first mesmerizing encounter, Antonio Balducci breaches all her defenses as he lures Lili into a passionate affair fueled by his own dark motives. The gorgeous scientist is Antonio's entry into the family he's sworn to destroy. But his manipulations ensnare him. With his soul on fire for the woman he desires above all else, will Antonio's love prove stronger than his hunger for retribution?

Customer Reviews

I say this without exaggeration: Olivia Gates is one of the few writers who can truly take readers on an emotional journey. From beginning to end in each story she tells, every emotion is engaged as readers follow the characters on their journeys. In this book, in particular, you find yourself laughing at the banter, and then a short time later, you tear up as you feel every heart-wrenching bit of the characters' devastation. That banter is one of the best aspects of the story: Antonio and Lili are true combatants on the battlefield of words for a majority of the piece, and their constant verbal

one-upsmanship is incredibly entertaining. Moreover, it's highly effective in its role as the mechanism by which the reader comes to understand exactly how and why the characters - the gorgeous, highly successful Antonio and the brilliant but insecure Lili - become so fascinated with each other. Though the events in the story take place over a relatively brief amount of time, that does not detract from either the power of their mutual attraction or the depth of the feelings they come to have for one another. One is able to follow along as they bond with, amuse and challenge each other, and when that begins to lend itself to the building of chemistry, the tension is palpable, as is the heat that is evoked by them. I do have to acknowledge a couple of issues of a nitpicky nature, and to do so, I need to delve just slightly into spoiler territory.....Once things begin to cool down as the characters and readers recover from the aftermath of a revelation that packs a real emotional punch, Lili is the one who winds up apologizing for the hurt she's caused Antonio by not believing him.
