# Courts And Judicial Policymaking

## Synopsis

For courses in courts and judicial process; and law and society. The scope of its coverage, and its high academic quality, makes it attractive for graduate courses as well. **Courts and Judicial Policymaking** is the only comprehensive textbook on courts, law, and judicial policymaking. The authors wrote this book to fill a need for a comprehensive textbook on law and judicial policymaking. The authors present and combine both legal and political science perspectives, and provide an alternative to pre-existing and limited judicial process texts that do not combine legal academy and political science approaches, overemphasize federal courts, and present a limited comparative judicial process analysis; and, instead, offer a fresh perspective on the contemporary politics of law, courts, the legal profession, and judicial policymaking, often with an underlying comparative judicial process perspective.

## Book Information

Paperback: 384 pages

Publisher: Pearson (December 28, 2006)

Language: English

ISBN-10: 0131443496

ISBN-13: 978-0131443495

Product Dimensions: 6 x 1 x 9 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (1 customer review)
