Customer Reviews

Buyer beware, the version of the book you'll get is not the one shown in the picture. It's for the older 1996 version.

I buy these 'older' army books because they tend to be dripping with creativity that spurs my imagination for role playing. This one, not as much. Still high quality but just not as much fun as others. Perhaps because Wood Elves are pretty well worn already.

Very disappointed because of it is not the one I want. I want WOOD ELVES not the stupid BRETONNIA! One star only!!!!!!!
