Synopsis

The five Countries covered in this book, Kuwait, Bahrain, Qatar, the United Arab Emirates, and Oman--are all Arab states on the Persian Gulf that share certain characteristics. But they are not the only countries that border the gulf. Iran, Iraq, and Saudi Arabia share the coastline as well, and they too shared in the historical development of the area. Of the five states covered in this book, Oman has a particular culture and history that distinguish it from its neighbors. It also is the state with the shortest coastline along the Persian Gulf. Most of Oman lies along the Gulf of Oman and the Arabian Sea. The main element that unites these countries is the nature of their involvement with people and nations beyond the region. In this book you will be detailing with the history information of each of the five states, Government, Politics, ruling system, Economy and more
