Customer Reviews

Includes almost all the songs (including a song cut from the movie). NOTE that these are indeed the FILM versions, which are slightly different from the Broadway versions. Keys and lyrics have been adjusted accordingly. This makes this purchase worth it, as often times the music gets recycled and isn't true to the film versions.

While I love the music from this movie, I have to admit Stephen Sondheim is hard to play! Still working on it but will be worth it when I master it!!

Very pleased, some minor changes from the movie version, but all in all very satisfied.

This is a very nice book. Not all songs are in it including I Wish.
