The Dashkova Memoirs (Books 1-4)

Synopsis

Revolutionary MagicExile. Princess. Thief.After years of running from the Emperor of Russia's assassins, Ekaterina "Kat" Dashkova has finally found an unlikely home in Philadelphia under the tutelage of Benjamin Franklin. When a mid-level government official is found wandering colonial Philadelphia without his clothesâ and his last two years of memoriesâ Ben and Kat suspect otherworldly forces at work. Neither of them know that a dark revolution lurks beneath the veneer of civilization, ready to unleash its malevolent magic unless Kat makes a grim sacrifice.A Cauldron of SecretsIgnorance is bliss, unless the world is out to kill you...An investigation into a strange cauldron and a dead thief in Ben Franklin's parlor leaves Katerina Dashkova, Russian princess in exile, as the main suspect. With her memory damaged and Ben Franklin missing, Kat must navigate the treacherous waters of American politics to solve the mystery while ominous rumblings threaten to drag the country into a new war. Birds of ProphecyKaterina Dashkova must die. When Warden Simon Snyder seeks Kat's help to solve a bloodless murder, she becomes entangled with a prophecy that predicts her death on the Winter Solstice. The investigation turns an old friend into a dangerous enemy, complicates loyalties, and creates a mystery so deep that Kat will have to expose herself to ultimate betrayal to solve it. Even if she does, the question remains: Can she save Philadelphia from an ancient evil? The Franklin DeceptionWhen Thomas Jefferson's longtime companion is murdered with dark magic, Katerina Dashkova and Ben Franklin must find the killer before the war-hungry Federalists learn the truth and use it to maneuver America into a war with Russia. Unfortunately, the unknown assassin isn't the only one causing trouble: a certain rusalka with a magical hold on Kat's future has made an impossible demand that will test her loyalty to her new country to its very limits.
