Customer Reviews

As expected So glad u have this program. The cost of this book at school is over 300.00 to rent at school is over 200.00. The chances of ever needing the book again are slim. Thank u for this awesome program. I will definitely use it again.

This is the correct book I needed and its a hard cover. The book that is sold by my school is unbound only.

Worked perfectly for us. They make it very easy to ship back.
